RESTAURANTS HOST GOLF OUTING TO RAISE MONEY FOR RILEY HOSPITAL FOR CHILDREN'S CANCER CENTER

INDIANAPOLIS- Recently, more than 150 golfers hit the fairways to raise \$20,000 for Riley Hospital for Children as part of the St. Elmo Steak House, Harry & Izzy's and Arby's Golf Outing. Specifically, the funds will be donated to the Riley Hospital Cancer Center, overseen by Dr. Robert Fallon.

Approximately 260 children are diagnosed with cancer in Indiana each year. Riley Hospital treats 80 percent of all Indiana children diagnosed with cancer.

"Riley is a place near and dear to our hearts and an important asset to our children and community," said Craig Huse, co-proprietor of St. Elmo Steak House. "We started supporting Riley in 2002, when we laid bricks marking our centennial outside of St. Elmo and donated the money to the hospital."

In the last eight years, the restaurants have collectively donated more than \$100,000 to the hospital.

"We look forward to continuing our relationship with Riley and Dr. Fallon, and have just signed a five-year pledge to donate \$75,000 to Riley," Huse said.

The next golf outing will be held on September 6, 2011.

Since 1902, St. Elmo Steak House has offered guests perfectly aged steaks, tender pork chops, superb guest service and its notorious shrimp cocktail. For many first-time, unsuspecting guests who order St. Elmo's signature shrimp cocktail, the "head rush" of horseradish is an unforgettable experience.

St. Elmo is an independent restaurant in Indianapolis and is only open for dinner. Sister restaurant, Harry & Izzy's, shares the same world-class service and some of the same classic dishes such as the world-famous shrimp cocktail.

Additionally, the Huse family owns 36 local Arby's locations. To make a reservation at St. Elmo Steak House, call 317.635.0636 or visit stelmos.com. To dine at Harry & Izzy's, call 317.635.9594 or visit harryandizzys.com.

About Riley Children's Foundation

Riley Children's Foundation supports Riley Hospital for Children, Camp Riley for Youth with Physical Disabilities and the James Whitcomb Riley Museum Home. As Indiana's only comprehensive hospital dedicated exclusively to the care of children, Riley Hospital has provided compassionate care, support and comfort to children and their families since 1924. Every year children from all 92 Indiana counties turn to Riley Hospital and its regional clinics throughout the state more than 250,000 times. Riley Hospital's partnership with Clarian Health and strong affiliation with the Indiana University School of Medicine make it the leader in pediatric care in the state and the region.
