**ST. ELMO STEAK HOUSE SELECTED AS ONLY INDIANAPOLIS DESTINATION DURING THE
NATIONWIDE SILVER OAK TOWER TOUR 2012**

Tickets still available for exclusive social event

INDIANAPOLIS – A small group of food and wine aficionados have the unique opportunity to experience the Silver Oak Tower Tour 2012 during its only stop in Indianapolis at the legendary St. Elmo Steak House.

In celebration of its 40th anniversary, Silver Oak has embarked on a 12,000 mile tour across the country for 60 days. The team on tour aims to meet customers, host celebratory wine tastings and to highlight forty years of the Silver Oak tradition.

“This is not your typical event or a standard wine dinner,” said Craig Huse, co-proprietor of St. Elmo Steak House. “It’s the must attend wine event of the year to celebrate the anniversary of one of the most iconic wineries in America, Silver Oak. This will be a fun, dare I say sexy, evening event.”

The Silver Oak Tower Tour will be at St. Elmo Steak House on Thursday, July 12 from 6 – 9 p.m. This is not a sit-down dinner, but guests will be treated to samples of Silver Oak and Twomey in addition to appetizers and live entertainment.

Tickets are still available but organizers expect the event to sell out soon. For more information or to reserve a ticket, email Kirsten DeWitte at Kirsten@stelmos.com.

Other stops on the tour include Trump National Golf Club, Reef and Del Frisco’s. For more information about the tour including daily updates, visit silveroak.com/blogs.

About Silver Oak

Silver Oak is single-minded in the pursuit of exceptional Cabernet Sauvignon. For 40 years, we have produced delicious and distinctive Cabernets from our Napa Valley and Alexander Valley wineries. Each Cabernet is food-friendly, extensively aged to be drinkable upon release, and perfect for enjoying with friends or family.

About St. Elmo Steak House

Since 1902, St. Elmo Steak House has offered guests perfectly aged steaks, tender pork chops, superb guest service and its world famous St. Elmo Shrimp Cocktail®. For many first-time, unsuspecting guests who order the notorious sinus clearing dish, the “head rush” of horseradish is an unforgettable experience. St. Elmo is an independent restaurant in Indianapolis and is only open for dinner. Sister restaurant, Harry & Izzy’s, shares the same world-class service and some of the same classic dishes including the St. Elmo Shrimp Cocktail.
